

Framingham Conservation
Commission presents:

A Twilight Walk Along the Sudbury River

Saturday, April 29th, at 7:00pm

Join Robert McArthur, Framingham Conservation Administrator, for a twilight walk along the Sudbury River on Saturday, April 29th, at 7:00pm. Enjoy the Carol Getchell Nature Trail, experiencing the woods and the river as the light fades and your eyes adjust to the darkness. If you have a reading about the evening or night time that you'd like to share, bring it along. This event is sponsored by the Framingham Conservation and Open Space Division. Meet at the cul-de-sac at the end of Little Farms Road in Framingham.
