Introducing "Election Central"

Framingham, MA – The Town of Framingham is pleased to announce the creation of "Election Central". The Election Central webpage was created to enhance voter education and participation in the upcoming historic first City of Framingham preliminary election on Tuesday, September 26, 2017 and election on Tuesday, November 7, 2017. All official candidates running for City office have been invited to share a link to their campaign website or campaign social media page that best represents their campaign.

We encourage the community to visit www.FraminghamMa.gov/ElectionCentral, find out who is officially running for a City office, to check your voter registration, find your polling location, and preview the preliminary sample ballots. Check back often, we will continue to update the page with links to candidates' campaign websites or campaign social media pages.

The links to the official candidate sites are provided by the candidates, neither the URL (website address) nor the site have been reviewed for content or accuracy. The links are displayed for voter information purposes only, and by posting the links it is not an attempt to influence the election of any candidate. The candidate websites are not monitored or regulated by the Town of Framingham.
