

For Immediate Release

Monday November 20, 2017

2018 Team Framingham Application Period Closes on Monday November 27th

Assistant Town Manager Jim Duane and Team Framingham Steering Committee Chair Jenifer Feaster today issued a reminder that the application period for the 2018 Team Framingham program will be closing at **4 p.m. on Monday November 27th**.

“The Team Framingham Boston Marathon program has been extraordinarily successful these past four years. The application period for those Framingham residents and town and school employees interested in participating in the 2018 Boston Marathon is coming up soon and the interest in obtaining one of the 22 invitational entries allocated to the town remains high once again this year,” Feaster stated.

Applications for runners interested in participating in the December 4th random selection for these invitational entries are available on the Town of Framingham web-site for downloading or at the Board of Selectmen Office in the Memorial Building.

The Team Framingham Steering Committee at its meeting on Tuesday November 14th received a corporate sponsor check from Petrini and Associates. Chris Petrini is pictured here presenting the \$500 sponsorship check to Steering Committee Chair Jenifer Feaster. This is the second year in a row that Petrini and Associates will be sponsoring the Team Framingham program.

Program Corporate Sponsorships for 2018 will go for \$500. Corporate sponsors will have their logo on the team t-shirt, a street banner with their corporate logo hung prominently on street light poles in downtown Framingham or along the Marathon course, and will receive generous publicity in many of our Team Framingham press releases.

Team Framingham program costs are defrayed by these sponsorships which help to cover team tee shirts, bussing costs, the Framingham street light pole banners, guest speakers for the team meetings, and other important supports for the team in their fundraising and training.

The official Team Framingham Corporate Sponsorship packet and application form can be found on the town web-site.
