

## ORDER FOR CONDUIT LOCATION

By the City Council of the City of Framingham, Massachusetts notice having been given and a public hearing held, as provided by law, **IT IS HEREBY ORDERED that**

That permission be and hereby is granted to **VERIZON NEW ENGLAND, INC.** to lay and maintain underground conduits with the wires and cables to be placed thereon, under the surface of the following public way or ways as requested in Petition of said company dated the 7th day of March 2019.

HOWARD STREET: Place one (1) four (4) inch conduit beginning at Verizon Pole T.7, located on the northerly side of Howard Street, and then running in a westerly direction along the northerly side of Howard Street a distance of approximately sixty-seven (67) feet to a point on the northerly side of Howard Street.

Reason: Place conduit on Howard Street to provide for the distribution of intelligence and telecommunications.

Substantially as shown on plan marked – Verizon No. 1A3A2VH, dated March 6, 2019, filed with said petition.

Also that permission be and hereby is granted to the said **VERIZON NEW ENGLAND INC.** to lay and maintain underground conduits, manholes, cables and wires in the above or intersecting public ways for the purpose of making connection with such poles and buildings as it may desired for distributing purposes.

The foregoing permission is subject to the following conditions:

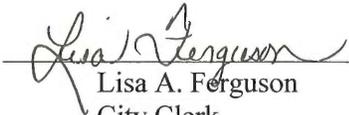

1. The conduits and manholes shall be such material and construction and all work done in such manner as to be satisfactory to such municipal officers as may be appointed to the supervision of the work.
2. In every underground main line conduit constructed by said Company hereunder, one duct not less than three inches in diameter shall be reserved and maintained free of charge for the use of the fire and police telephone and telegraph signal wires belonging to the City and used by it exclusively for municipal purposes.
3. Said Company shall indemnify and save the City harmless against all damages, costs and expense whatsoever to which it may be subjected in consequence of the acts or neglect of said Company, its agents or servants, or in any manner arising from the rights and privileges granted it by the City.
4. Said Company shall comply with the requirements of existing ordinances and such as may hereafter be adopted governing the construction and maintenance of conduits and wires, so far as the same are not inconsistent with the laws of the Commonwealth.

The foregoing permission is also subject to the conditions set forth in a letter dated March 13, 2019 from the Framingham Department of Public Works as follows:

- A. DPW requests notification prior to the start of work to verify final location in the field and that no public utilities are adversely affected.

- B. The applicant shall obtain a Street Opening Permit and a Trench Opening Permit for this work.
- C. The applicant shall submit a traffic management plan to DPW for review and approval prior to construction.
- D. The applicant shall fully replace and restore all sidewalk, curbing, and roadway infrastructure impacted by this work.
- E. All work shall conform to the City of Framingham construction standards.

I hereby certify that the foregoing order was adopted at a meeting of the City Council of the City of Framingham, Massachusetts held on the **16<sup>th</sup> Day of April, 2019**.

Re: Howard Street - Grant of Location Request – Verizon Job #1A3A2VH

Dear City Council,

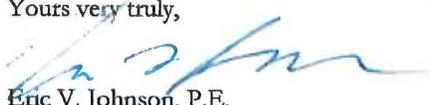

The Department of Public Works (DPW) is in receipt of a request from Verizon New England Inc. to locate a conduit along the sidewalk on Howard Street as represented under submitted Grant of Location application package dated March 7, 2019. The conduit shall be owned and maintain by the Petitioner.

We have reviewed this Grant of Location request submitted to the City Council and recommend approval subject to the following conditions:

1. DPW requests notification prior to the start of work to verify final location in the field and that no public utilities are adversely affected.
2. The applicant shall obtain a Street Opening Permit and a Trench Opening Permit for this work.
3. The applicant shall submit a traffic management plan to DPW for review and approval prior to construction.
4. The applicant shall fully replace and restore all sidewalk, curbing, and roadway infrastructure impacted by this work.
5. All work shall conform to the City of Framingham construction standards.

Please contact me at (508) 532-6010 if you have any questions.

Yours very truly,

  
Eric V. Johnson, P.E.  
City Engineer
