CITY OF FRAMINGHAM
DEPARTMENT OF PUBLIC WORKS**

INVITATION FOR BIDS

BID #: PW-407

UNION AVENUE AND PEARL STREET UTILITY IMPROVEMENTS

The City of Framingham (City), Department of Public Works (DPW), invites sealed bids for a project to furnish all necessary labor, materials, and equipment to replace approximately 2,500 linear feet (LF) of cast iron water main with new cement lined ductile iron water main and associated service pipes and appurtenances; replace approximately 900 LF of sanitary sewer pipe with new polyvinyl chloride (PVC) sewer pipe and associated manholes and appurtenances; rehabilitate approximately 1,125 LF of sewer main by method of cured in place pipe (CIPP) lining; replace all associated sewer service laterals to the limits of the Right of Way; remove existing concrete road base within Union Avenue; abandon existing water and sewer pipe by filling with low-density cellular concrete; install hot mix asphalt pavement and all incidental items necessary to complete the work shown on the plans and specifications.

Sealed bids shall be submitted in strict conformance with the bid document and will be received at 110 Western Avenue, Framingham, MA 01702 until 1:00 P.M. on Thursday, May 23, 2019.

Bid documents will be available for pick-up after 10:00 A.M. on Wednesday, May 1, 2019 at the above location or by calling 508-532-6026 or by emailing DPWProcurement@FraminghamMa.gov.

The awarded contractor shall comply with Mass. Gen. L. Ch. 149, Sec. 26 – 27D, as this contract is subject to Massachusetts Prevailing Wage Rates.

The City reserves the right to reject any and all submissions, to waive any minor informalities and technicalities, or to cancel the bid if it were in the public interest to do so.
