

**ORDER FOR CONDUIT LOCATION**

By the City Council of the City of Framingham, Massachusetts notice having been given and a public hearing held, as provided by law, **IT IS HEREBY ORDERED that**

That permission be and hereby is granted to **LEVEL 3 COMMUNICATIONS** to lay and maintain underground conduits with the wires and cables to be placed thereon, under the surface of the following public way or ways as requested in Petition of said company dated the 6th day of May 2019.

BURR STREET: Place one (1) 4" Schedule PVC underground conduit from the existing Pole #8 on the southwest side of Burr Street approximately sixty-five (65) feet to new handhole on the northeast side of Burr Street.

Reason: Place conduit on Burr Street to extend services to a new location.

Substantially as shown on plan marked PROPOSED CONDUIT LOCATION 550 COCHITUATE RD – FRAMINGHAM, MA dated May 3, 2019, filed with said petition.

Also that permission be and hereby is granted to the said **LEVEL 3 COMMUNICATIONS** to lay and maintain underground conduits, manholes, cables and wires in the above or intersecting public ways for the purpose of making connection with such poles and buildings as it may desired for distributing purposes.

The foregoing permission is subject to the following conditions:

1. The conduits and manholes shall be such material and construction and all work done in such manner as to be satisfactory to such municipal officers as may be appointed to the supervision of the work.
2. In every underground main line conduit constructed by said Company hereunder, one duct not less than three inches in diameter shall be reserved and maintained free of charge for the use of the fire and police telephone and telegraph signal wires belonging to the City and used by it exclusively for municipal purposes.
3. Said Company shall indemnify and save the City harmless against all damages, costs and expense whatsoever to which it may be subjected in consequence of the acts or neglect of said Company, its agents or servants, or in any manner arising from the rights and privileges granted it by the City.
4. Said Company shall comply with the requirements of existing ordinances and such as may hereafter be adopted governing the construction and maintenance of conduits and wires, so far as the same are not inconsistent with the laws of the Commonwealth.

The foregoing permission is also subject to the conditions set forth in a letter dated May 7, 2019 from the Framingham Department of Public Works as follows:

- A. The applicant (or applicant's designee) shall be registered as a utility within the Dig-Safe system and will be responsible to comply with all applicable laws and regulations pertaining to utility location and marking, including MGL c.82, sec.40 and 220 CMR 99. The applicant (or applicant's designee) shall fulfill the definition of "Company" as set forth in the aforementioned law and regulations.
- B. The proposed conduit shall be installed at the location as shown on the plan accompanying the petition. DPW requests notification prior to the start of work to verify final location in the field and that no public utilities are adversely affected.

Re: Burr Street for 550 Cochituate Road - Grant of Location Request - Lighttower Fiber Networks, LLC

Dear City Council,

The Department of Public Works (DPW) is in receipt of a request from Level (3) Communications to locate (1) 4-inch conduit to be owned and maintained a total of +/- 65 feet of conduit from and existing utility pole #6 across the following public way of Burr Street as represented under submitted Grant of Location application package dated May 6, 2019.

We have reviewed this Grant of Location request submitted to the City Council and recommend approval subject to the following conditions:

1. The applicant (or applicant's designee) shall be registered as a utility within the Dig-Safe system and will be responsible to comply with all applicable laws and regulations pertaining to utility location and marking, including MGL c.82, sec.40 and 220 CMR 99. The applicant (or applicant's designee) shall fulfill the definition of "Company" as set forth in the aforementioned law and regulations.
2. The proposed conduit shall be installed at the location as shown on the plan accompanying the petition. DPW requests notification prior to the start of work to verify final location in the field and that no public utilities are adversely affected.
3. The proposed work shall be inspected by the City of Framingham DPW.
4. The applicant shall obtain a Street Opening Permit for this work.
5. The applicant and contractor shall endeavor to maintain 10-foot separation from City-owned utilities at all times.
6. The area in the vicinity of the work shall be restored and all excess excavation resulting from the conduit installation shall be removed by the Grantee.
7. All work shall conform to the City of Framingham construction standards.

Please contact me at (508) 532-6010 if you have any questions.

Yours very truly,

Eric V. Johnson, P.E.
