

ORDER FOR CONDUIT LOCATION

By the City Council of the City of Framingham, Massachusetts notice having been given and a public hearing held, as provided by law, **IT IS HEREBY ORDERED that**

That permission be and hereby is granted to **COMCAST CABLE COMMUNICATIONS, INC.** to lay and maintain underground conduits with the wires and cables to be placed thereon, under the surface of the following public way or ways as requested in Petition of said company dated the 8th day of March 2019.

HOWARD STREET: Place one (1) four (4) inch conduit beginning at Verizon Pole T.7, located on the northerly side of Howard Street, and then running in a westerly direction along the northerly side of Howard Street a distance of approximately sixty-seven (67) feet to a point on the northerly side of Howard Street.

Reason: Place conduit on Howard Street to provide for the distribution of intelligence and telecommunications.

Substantially as shown on plan marked – Comcast No. 1054999, dated March 8, 2019, filed with said petition.

Also that permission be and hereby is granted to the said **COMCAST CABLE COMMUNICATIONS, INC.** to lay and maintain underground conduits, manholes, cables and wires in the above or intersecting public ways for the purpose of making connection with such poles and buildings as it may desired for distributing purposes.

The foregoing permission is subject to the following conditions:

1. The conduits and manholes shall be such material and construction and all work done in such manner as to be satisfactory to such municipal officers as may be appointed to the supervision of the work.
2. In every underground main line conduit constructed by said Company hereunder, one duct not less than three inches in diameter shall be reserved and maintained free of charge for the use of the fire and police telephone and telegraph signal wires belonging to the City and used by it exclusively for municipal purposes.
3. Said Company shall indemnify and save the City harmless against all damages, costs and expense whatsoever to which it may be subjected in consequence of the acts or neglect of said Company, its agents or servants, or in any manner arising from the rights and privileges granted it by the City.
4. Said Company shall comply with the requirements of existing ordinances and such as may hereafter be adopted governing the construction and maintenance of conduits and wires, so far as the same are not inconsistent with the laws of the Commonwealth.

The foregoing permission is also subject to the conditions set forth in a letter dated May 28, 2019 from the Framingham Department of Public Works as follows:

- A. The applicant (or applicant's designee) shall be registered as a utility within the Dig-Safe system and will be responsible to comply with all applicable laws and regulations pertaining to utility location and marking, including MGL c.82, sec.40 and 220 CMR 99. The applicant (or applicant's designee) shall fulfill the definition of "Company" as set forth in the aforementioned law and regulations.

- B. Contingent on the comments provided by Mr. Louis Cormier's (Comcast Cable Communications, Inc.) email dated May 28, 2019.
- C. DPW requests notification prior to the start of work to verify final location in the field and that no public utilities are adversely affected.
- D. The applicant shall obtain a Street Opening Permit and a Trench Opening Permit for this work.
- E. The applicant shall submit a traffic management plan to DPW for review and approval prior to construction.
- F. The applicant shall fully replace and restore all sidewalk, curbing, and roadway infrastructure impacted by this work.
- G. All work shall conform to the City of Framingham construction standards.

I hereby certify that the foregoing order was adopted at a meeting of the City Council of the City of Framingham, Massachusetts held on the **25th Day of June, 2019**.

Emily L. Butler
Assistant City Clerk

We hereby certify that on **June 25, 2019** at **7:15 PM** at Memorial Hall, 150 Concord Street, Framingham Massachusetts a public hearing was held on the petition of:

COMCAST CABLE COMMUNICATIONS, INC.

for permission to lay and maintain underground conduits, manholes and connections, with the wires and cables to be placed therein, described in the order herewith recorded, and that at least seven days before said hearing a written notice of the time and place of said hearing was mailed to each of the owners of real estate (as determined by the last preceding assessment for taxation) along the ways or parts of ways upon which the Company are permitted to erect poles, wires, cables, fixtures and connections under said order.

And that there upon said order was duly adopted.

City Council
City of Framingham, Massachusetts

CERTIFICATE

I hereby certify that the foregoing is a true copy of a location order and certificate of hearing with notice adopted by City Council of the City of Framingham, Massachusetts on the **25th day of June 2019** and recorded with the records of location orders of said City, Book 17, Page 19-7. This certified copy is made under the provisions of Chapter 166 of General Laws and any additions thereto or amendments thereof.

Attest:

Emily L. Butler
Assistant City Clerk

Re: Howard Street - Grant of Location Request – Comcast Job #1504999

Dear City Council,

The Department of Public Works (DPW) is in receipt of a request from Comcast Cable Communications Inc. to locate a conduit along the sidewalk on Howard Street as represented under submitted Grant of Location application package dated May 8, 2019. The conduit shall be owned and maintained by the Petitioner.

We have reviewed this Grant of Location request submitted to the City Council and recommend approval subject to the following conditions:

1. The applicant (or applicant's designee) shall be registered as a utility within the Dig-Safe system and will be responsible to comply with all applicable laws and regulations pertaining to utility location and marking, including MGL c.82, sec.40 and 220 CMR 99. The applicant (or applicant's designee) shall fulfill the definition of "Company" as set forth in the aforementioned law and regulations.
2. Contingent on the comments provided by Mr. Louis Cormier's (Comcast Cable Communications, Inc.) email dated May 28, 2019.
3. DPW requests notification prior to the start of work to verify final location in the field and that no public utilities are adversely affected.
4. The applicant shall obtain a Street Opening Permit and a Trench Opening Permit for this work.
5. The applicant shall submit a traffic management plan to DPW for review and approval prior to construction.
6. The applicant shall fully replace and restore all sidewalk, curbing, and roadway infrastructure impacted by this work.
7. All work shall conform to the City of Framingham construction standards.

Please contact me at (508) 532-6010 if you have any questions.

Yours very truly,

Eric V. Johnson, P.E.
City Engineer
