FRAMINGHAM CITY COUNCIL

ORDER NO. 2020-058
REQUEST OF THE TRAFFIC COMMISSION

UPON THE REQUEST OF THE TRAFFIC COMMISSION, THE CITY OF FRAMINGHAM, THROUGH THE FRAMINGHAM CITY COUNCIL, IT IS SO ORDERED:

That, in an effort to support the Framingham restaurant community by providing short-term parking for take-out services in response to the financial impacts of the COVID-19 pandemic, and in accordance with the favorable vote of the Traffic Commission on June 4, 2020, the City Council votes to establish 15-minute parking limits at twenty (20) on-street parking locations in the downtown area as depicted on the attachments. All documentation is also available from the Traffic Commission.

Use of these parking spaces shall be in accordance with all applicable bylaws, ordinances and statutes of the City of Framingham and the Commonwealth of Massachusetts.

Pursuant to the Framingham Home Rule Charter, Article V Section 6, all rules and regulations promulgated by authorized vote of the Traffic Commission shall become effective on the 30th day following the day on which notice of proposed rule or regulation is filed with the council, unless the council shall within such period by majority of the full council vote to reject such rule or regulation or has sooner voted to affirm it. In accordance with the council's vote, this change is effective today. It is noted, however, that on November 1, 2020, these twenty (20) on-street parking spaces will default back to the previous restrictions placed upon them.
