**ORDER FOR CONDUIT LOCATION**  
**Order 2020-095**

By the City Council of the City of Framingham, Massachusetts notice having been given and a public hearing held, as provided by law, **IT IS HEREBY ORDERED:**

That permission be and hereby granted **MCImetro** to lay and maintain underground gas main and service pipelines under the surface of the following public ways as requested in petition(s) of said Company dated the 17th day of September 2020:

LEXINGTON STREET NEAR 141 UNION AVENUE: To install (1) 4" Schedule 40 PVC underground conduit from an existing Manhole #490 on Lexington Street near 141 Union Avenue to an existing Pole #6 E/T NT approximately 30'.

Incumbent in this vote is permission to lay and maintain underground pipelines, regulator pits in the above or intersecting public way for purpose of making connections with such pipelines and buildings as it may desire for distributing purposes.

All construction under this order shall be in accordance with the conditions set forth in a letter dated August 25, 2020 from the Framingham Department of Public Works as follows:

1. The applicant (or applicant's designee) shall be registered as a utility within the Dig-Safe system and will be responsible to comply with all applicable laws and regulations pertaining to utility location and marking, including MGL, c.82, sec. 40 and 220 CMR 99. The applicant (or applicant's designee) shall fulfill the definition of "Company" as set forth in the aforementioned law and regulations.
2. The proposed conduit shall be installed at the location as shown on the plan accompanying the petition. DPW requests notification prior to the start of work to verify final location in the field and that no public utilities are adversely affected.
3. The proposed work shall be inspected by the City of Framingham DPW.
4. The applicant shall obtain a Street Opening Permit for this work.
5. The applicant and contractor shall endeavor to maintain 10-foot separation from city-owned utilities at all times.
6. The area in the vicinity of the work shall be restored and all excess excavation resulting from the conduit installation shall be removed by the Grantee.
7. All work shall conform to the City of Framingham construction standards.

I hereby certify that the foregoing order was adopted at a meeting of the City Council of the City of Framingham, Massachusetts held on the 15th day of September, 2020.

Lisa A. Ferguson, City Clerk

We hereby declare that on October 6, 2020 at 7:00 PM via remote teleconference, a public hearing was held on the petition of **MCImetro** for permission to lay and maintain underground pipelines and regulator pits described in the order herewith recorded, and that we mailed at least seven days before said hearing a written notice of the time and place of said hearing to each of the owners of real estate (as determined by the last preceding assessment for taxation) along the ways or parts of ways upon which the Companies are permitted to lay and maintain underground pipelines and regulator pits under said order.

It is noted that, due to the COVID-19 pandemic, this meeting and public hearing was held with City Council members via teleconferencing. The meeting is available for viewing on the City of Framingham website under Government Channel.

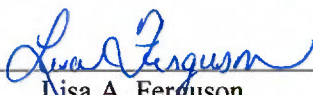

And that thereupon said order was duly adopted.
