### **Osmose Utility to Continue Inspecting Utility Poles Throughout the City of Framingham**

**Framingham, MA-** The Framingham Department of Public Works has issued a street permit to Osmose Utility, a Verizon Wireless subcontractor, allowing them to continue inspecting utility poles located in the public right-of-way throughout the city.

Utility pole inspections will begin the first week of April. Workers will be dressed in safety clothing, carry identification cards, and work out of company marked vehicles.

Per Massachusetts law, Osmose Utility is required to file [Dig Safe tickets](#). [Dig Safe paint markings](#) will be visible near utility poles throughout the city.

Reference this [document](#) for more information about Osmose's proposed work scope and messaging.

Please send all questions, comments, or concerns to Osmose Utility at (770) 632-6700 or submit an inquiry form on their [website](#).
