Virtual Public Meeting Alert

**May 27 Zoom to Discuss and Solicit Feedback on the 75% Design for
Edgell Road and Central Street Intersection Improvements**

FRAMINGHAM, MA - The City of Framingham Department of Public Works will host a virtual public meeting via Zoom on Thursday, May 27, at 6 p.m. to discuss the 75% design plans for the proposed intersection reconstruction of Edgell Road and Central Street.

Previously, in November 2019, the Massachusetts Department of Transportation (MassDOT) held a 25% design public hearing at the Village Hall. View the transcript from that meeting [here](#).

MassDOT will manage the project as it is funded by the State Transportation Improvement Program.

City staff and the design consultant will present current design project plans including, geometric improvements, the installation of a traffic signal, and improved pedestrian mobility and safety features.

View the current 75% design plans [here](#).

The public will have the opportunity to learn about the design plans and ask questions or make comments orally. If people cannot attend the meeting and have questions or comments, please email ajewell@framinghamma.gov with the subject line: Edgell/Central Public Meeting.

View Zoom Information [here](#).

A video recording of the Zoom and a copy of the presentation will be available on the City's construction website [Building Framingham](#) following for those who cannot attend or watch.
