COVID-19 UPDATE

**Since Friday, June 25, One Resident has Tested Positive, and
Ten More have Recovered from COVID-19;**

*Update on the Vaccine Equity Initiative in Framingham;
City Provides Weekly Food Resource Guide;*

*Reminder - First In-person Community Hour Since the Pandemic Scheduled Tuesday at
Memorial Building*

- **Since Friday, June 25, one resident has tested positive, and ten more have recovered from COVID-19:** The number of people in the City who have tested positive for COVID-19 is 8,353. With 8,029 recovered and 250 fatalities, Framingham currently has 74 active cases. The Framingham Health Department contacts the people who were potentially exposed and the owners of the businesses or places of employment where the potential exposures occurred to inform and counsel them on next steps (contact tracing). In addition to the active cases, the Health Department is following *255 residents in quarantine.

***Note:** The City's COVID team is working in the State's data system to move lapsed or pending cases into the correct status.

- **Update on the Vaccine Equity Initiative in Framingham:** Guided by the State's framework, the Equity Initiative includes people of color, immigrants/recent arrivals, homebound and disabled individuals, people living in low-income and congregate housing, and those with multiple and complex medical needs in Framingham.

Last week, clinics were held at the Greater Framingham Community Church and Framingham Public Health Nursing Office at 113 Concord Street. Since Wednesday, March 24, 5,674 (4,676 Moderna, 110 Pfizer, and 888 Johnson and Johnson) vaccinations have been administered under the Equity Initiative. Those who have received dose one of Moderna and Pfizer have been invited to return for a second dose at the same community site to become fully vaccinated. The COVID Vaccine Team will continue to offer several clinics each week for the equity initiative at various locations.

To request a home visit, please call the City's Public Health Nursing Office at 508-532-5667. Leave your name, phone number, and address, and someone will return your call within 36 hours.

Framingham's weekly equity vaccination data report provided by the State of Massachusetts can be found [here](#).

- **Weekly food resource guide:** To better manage the food demand, Framingham has developed a weekly guide about food availability in the City. View this week's guide in English, Portuguese, and Spanish, [here](#).

- **Reminder - First In-person Community Hour since the pandemic scheduled Tuesday, June 29, at Memorial Building:** Mayor Yvonne M. Spicer will host the first in-person Community Hour since the pandemic on Tuesday, June 29, 5-6 p.m. at the Memorial Building, 150 Concord Street, in the Ablondi Room (gathering room across from the Mayor's office). Please join Mayor Spicer Tuesday in-person and bring your questions and comments.
