The Community Preservation Act has protected over 29,000 acres of open space in Massachusetts

"Eighteen years is a long time. It's obvious that there needs to be an adjustment made [to CPA].

We would support that mechanism being increased... We would support it and we would sign it."

The screenshot shows the homepage of the Community Preservation Coalition website. The browser address bar displays <https://www.communitypreservation.org>. The logo features four overlapping squares in red, blue, green, and yellow. The tagline reads "Preserving our past. Building our future." The navigation menu includes "About", "News", "CPA Databank", "Technical Assistance" (circled in red), and "Adopting CPA". A search bar is located in the top right. A badge indicates "175 CPA Communities" with a "Learn More >" link. The main content area is divided into three columns: "Our Most Popular Articles" (listing items like "Is Our Project Allowable?", "CPA Restrictions", "CPA Plans & Applications", "CPA Income Limits", "Sec. of Interior's Standards", and "Dept. of Revenue Information"), "Tech. Assistance Articles" (listing "Main Menu", "Open Space", "Recreation", "Historic", "Housing", and "Administrative"), and "Have A Specific Question?" (prompting users to use a "Technical Assistance Request Form" which is "Coming Soon!"). Below this is a large banner image of a construction site. The bottom section features a quote from The Boston Globe: "The Community Preservation Act is so popular for a simple reason: It works, and taxpayers who vote for it can see the tangible results in their parks and neighborhoods. It's improving the quality of life in Massachusetts, and well worth additional investment from the state." To the right is a "CPA News Feed" with three news items: "Governor Baker & The Boston Globe Agree: It's Time to Support CPA Legislation", "November 2018 Statewide Trust Fund Distribution Announced", and "CPA Adoption Update: Two New CPA Towns Bring the Total to 175". A "More CPA News >" link is at the bottom right.

- Reserve amount recommended by CPC to applicable reserve account, rather than approving the project (rarely used)

Basic Tenets of CPA

- No supplanting general municipal revenue
- No maintenance or operating expenses
- Recreation – Outdoor projects only
- Land Purchases – Must file permanent restriction with the state, held by 3rd party
