Framingham Public Works to Host Transportation Master Plan, Phase II, Virtual Public Meeting

This Meeting is the Third of Four Public Engagement Sessions

FRAMINGHAM, MA - The City of Framingham's Department of Public Works and their consultant, VHB, will host the third of four virtual public meetings for the City's Transportation Master Plan, Phase II, on Thursday, October 21, at 6 p.m.

The third meeting will focus on three transportation topics in multiple breakout rooms, including:

- **Room 1: Public Transit, Bicycle, and Pedestrian Connectivity:** Focuses on the Village Green area, [study area corridors*](#), and sidewalk connections throughout the City.
- **Room 2: Traffic Congestion at Specific Study Areas, Including:**
 - Route 30/Cochituate Road at Beacon Street
 - Route 30/Cochituate Road at Shoppers World
 - Leland Street at Beaver and Kendall Streets
 - Salem End Road at Winter Street
 - Pleasant Street at Woodmere Road/Temple Street
 - Salem End Road at Badger Road/Gates Street
- **Room 3: Neighborhood Connections and Traffic Calming:** Neighborhood connections and gateways, including the study area intersections around MCI-Framingham, Central Street at Summer Street, and Fenwick Street/ Haynes Road location.

*The corridor of Central Street, Summer Street, Fenwick Street, and Haynes Road will be discussed in Room 3.

The public will have the opportunity to provide oral and written feedback about the proposed improvements.
