- **Since Wednesday, November 3, 64 residents have tested positive, and 53 more have recovered from COVID-19:** The number of people in the City who have tested positive for COVID-19 is 9,274. With 8,827 recovered and 253 fatalities, Framingham currently has 169 active cases. The Framingham Health Department contacts individuals who test positive and the people who were potentially exposed to inform and counsel them on the next steps.
- **Health Department Distributes Demographic COVID-19 and Vaccination Data:** The City's Department of Public Health distributes demographic COVID-19 data about confirmed COVID-19 cases and vaccination efforts in Framingham. Reference today's data release [here](#).
- **Food Resource Guide:** View the Food Resource Guide in English, Portuguese, and Spanish [here](#).
- **Update on the Vaccine [Equity Initiative](#) in Framingham:** Since Wednesday, March 24, 6,353 vaccines (Moderna, Pfizer, and Johnson and Johnson) have been administered under the Equity Initiative. Framingham continues to exceed many of the state benchmarks on COVID-19 vaccinations. To request a home visit, please call the City's Public Health Nursing Office at (508) 532-5667. Leave your name, phone number, and address, and someone will return your call within 36 hours. See the State's Vaccine Equity Initiative dashboard [here](#).
