DATE: _____

LOCATION OF HOOK-UP _____

BUSINESS NAME: _____

BILLING ADDRESS: _____

CONTACT PERSON AND PHONE#: _____

APPROXIMATE DATES EQUIPMENT NEEDED: FROM _____ TO _____

PURPOSE OF METER: _____

APPLICANT SIGNATURE: _____

- 1) Deposit check for \$1000 submitted to Public Works Office
100 Western Ave. Framingham, MA 01702.
- 2) Call Water Department at 508-532-6050 to arrange for meter and backflow device to be installed at location listed on application.
- 3) There will be a \$50.00 charge for the on and set and off and out of service.
- 4) The fee for backflow test is \$50.00
- 5) Customer will need to provide a W9 Form.

The Deposit check will be deposited. Water usage and fees will be deducted from the deposit and a refund will be issued upon end usage reading. If charges are greater than the deposit amount then an invoice will be sent for the balance due.

The Public works Department will remove the hydrant meter and shut water off in the event of any irregularities.
