

**CITY OF FRAMINGHAM
CAPITAL PROJECT/EQUIPMENT REQUEST - FY2025-2034 CIP**

DEPARTMENT:

DEPARTMENT PRIORITY:

(1) **PROJECT NAME:**
PROJECT STATUS:

(2) **PROJECT DESCRIPTION AND JUSTIFICATION:**
 With successful implementation of the new Teen Room, the new Technology Learning Center and Public Computing area, and the new Literacy Unlimited Center, we are onto our next phase. The Main Library's main floor is the welcome center. This space should provide an immediate sense of comfort and ease, with friendly staff visible and available, engaging displays, good signage and wayfinding, and a design that signals that patrons are invited to browse, sit, and stay. Though we have tried to work with what we have, the current space offers very little seating, shelving and displays that are inadequate to showcase our new and exciting offerings, and no opportunity for our community to gather and connect. Working with our newly designed and ADA accessible Service Desk, we have envisioned a space that provides all this and more, with new, contemporary shelving solutions, a central "living room" area, which we have at our Branch Library and know patrons appreciate, booth seating at our windows, plug-in furniture for laptops and charging devices, and a new periodicals and café area.

Standard Terms and Conditions

These Standard Terms and Conditions are hereby incorporated into any order, quotation, proposal or agreement (hereinafter "Order") for goods and/or services from Red Thread Spaces LLC d/b/a Red Thread (hereinafter "Seller") to the party identified as the customer, buyer or purchaser in the Order (hereinafter, "Buyer"). By accepting or entering into the Order, Buyer agrees to be bound by all of the terms and conditions stated herein.

1. Payment Terms. Except as otherwise expressly stated in the Order, a deposit of 50% of the Order price is required, and payment of the balance is due and payable 10 days after invoice date by check, bank wire or ACH with no resulting intermediary fees to Seller. Goods and/or services will be invoiced as delivered and/or provided to Buyer. Buyer is required to pay all sales, use and other taxes on all goods and services provided, and promptly reimburse Seller for such taxes even if not shown on the Order or invoice. Any Buyer claiming to be exempt from taxes must provide Seller with a valid exemption certificate. Buyer must notify Seller within 10 days after the invoice date setting forth in detail the basis of any disputed item. Notwithstanding the existence of any disputed item, payment for all items not so disputed within said 10-day period shall be due and payable 10 days after the invoice date. Interest at the rate of 1.5% per month will accrue on outstanding monthly balances after the date payment is due until paid, and accrued but unpaid interest will be added to the outstanding balance on a monthly basis. Buyer agrees to pay all costs incurred by Seller in collecting any outstanding balances, including but not limited to reasonable attorney's fees.

2. Cancellations and Changes. All Orders are firm and not subject to cancellation or change without Seller's written agreement. If Seller agrees to cancellation or changes, Buyer shall pay all cancellation, restocking and handling charges.

3. Delivery Dates and Schedule Changes. In the event of Buyer's inability to receive goods as scheduled, Seller will arrange for storage of goods, if required. All costs of double handling, demurrage, extra trucking, storage, risk of loss and insurance incurred by Seller as a result of such changes or delays will be borne by Buyer. In the event that goods must be stored beyond 10 days, Seller will invoice Buyer for goods as though the Order was delivered to Buyer and such invoice shall be due and payable 10 days after invoice date. Placement of the goods in storage by Seller is deemed delivery by Seller and receipt by Buyer.

4. Conditions of Job Site. At time of delivery or installation, the job site must be clear and free of all debris and other tradespeople. Electric current, heat, hoisting and/or elevator service, and adequate facilities for off-loading, staging, storing, moving and handling of goods to be delivered and installed must be provided by Buyer without charge to Seller. Failure of the job site to conform to these requirements may result in project delays and additional costs and expenses, which shall be borne by Buyer.

5. Delivery and Installation. Unless otherwise stated in the Order, delivery and installation will occur during Seller's normal work hours using non-union labor, paid at non-prevailing wages. Buyer shall be responsible for payment of all costs incurred as a result of Buyer's request for delivery or installation outside of Seller's normal work hours, including but not limited to overtime and any other additional labor costs. Buyer shall pay all costs of job-site trade regulations enforced at the time of delivery and/or installation, including any requirement that delivery and/or installation be completed by on-site tradesman.

6. Work by Others. Buyer shall be responsible for connection of electrical panels or components to the building power source unless separately stated. Buyer shall be responsible for structural integrity of any walls in which product will be mounted, effects of building vibrations on electrical components and for measurements that can't be verified at time of Order placement.

7. Responsibility for Delivered Goods. Goods shall be deemed delivered to Buyer upon delivery to the job site by Seller. Buyer shall thereafter bear all risk of loss. If goods are drop shipped directly by manufacturer to Buyer without Seller's services required, Buyer is responsible to receive, unload and inspect product for damage and notify Seller of damage within two days of product receipt. Damaged goods and packaging must be retained for inspection by the carrier. Seller shall not be responsible for any losses sustained due to Buyer's failure to notify Seller timely. Seller's invoices shall be paid in full by Buyer when due irrespective of pending freight claims.

8. Acceptance of Installed Items. All goods installed by Seller shall be conclusively deemed to be in accordance with Buyer's specifications and accepted by the Buyer upon completion of installation unless written notice to the contrary is furnished to Seller within 3 business days after completion of installation.

9. Warranty. Seller will, to the extent assignable, assign any product warranties supplied or furnished by the manufacturer to the Buyer. Seller will provide labor at no charge to correct any labor deficiency for 60 days from date of installation. Seller will provide labor at no charge to repair or replace defective products and parts during the first 60 days of the manufacturer's warranty period. After 60 days, Seller shall provide labor at no charge to Buyer to repair or replace defective products and parts only if and to the extent such labor is included in the manufacturer's warranty.

NO OTHER WARRANTIES, EITHER EXPRESS OR IMPLIED, ARE EXTENDED BY SELLER. SELLER HEREBY DISCLAIMS ALL OTHER WARRANTIES EITHER EXPRESS OR IMPLIED, INCLUDING, WITHOUT LIMITATION, ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR USE.

10. Limitation of Liability.

A. Delays and Extensions of Time. No liability shall accrue against Seller from any act or neglect of Buyer, any Order changes requested by Buyer, any delay authorized or caused by Buyer, any strike, lockout, work stoppage or other labor dispute, any fire, accident or other casualty, any unusual delay in deliveries or inability to obtain goods or materials, any act of God, or any other cause beyond Seller's control.

B.
