

City of Framingham

The City Council of Framingham

ORDER NO. 2026-006-001
REQUEST OF THE PLANNING & ZONING SUBCOMMITTEE

UPON THE REQUEST OF THE PLANNING & ZONING SUBCOMMITTEE, THE CITY OF FRAMINGHAM, THROUGH THE FRAMINGHAM CITY COUNCIL, IT IS SO ORDERED:

Upon the request of Dudley Stephan to rescind Order No. 2025-046, in order to revise the location of the permanent water easement on and along 1061 and 1065 Edmands Road, and request to the City of Framingham to accept the donation of the permanent water easement and abandon the existing water easement;

THAT ORDER NO. 2025-046 is hereby rescinded;

THAT the City Engineer reviewed the matter of a forty-foot wide (40') City water easement located along 1061 and 1065 Edmands Road, the "Existing Water Easement", depicted on Lots 1 and 2 of Plan No. 485 of 2012, approved by the Framingham Planning Board on June 14, 2012 and recorded with the Middlesex South District Registry of Deeds in Plan Book 0212 Page 0485;

THAT the City Engineer certifies conditions on acceptance of a permanent water easement donated to the City by the Owner of 1065 Edmands Road, and the Owner consents to and grants the permanent forty-foot wide (40') City water easement on and along 1061 and 1065 Edmands Road, the "2025 Water Easement", as depicted on a Plan entitled "Easement Plan of Land of 1061 & 1065 Edmands Road in Framingham, MA", prepared by Connorstone Engineering Inc, dated November 17, 2025, and signed December 8, 2025, attached as **Attachment A**, with description of the 2025 Water Easement is attached as **Attachment B**;

THAT the City Engineer certifies conditions on abandonment and release of a portion of the Existing Easement, after completion of installation of City water infrastructure in the 2025 Water Easement to the specifications of the Public Works Division and law at the Owner's expense, and the City authorizes the abandonment and release of a portion of the Existing Water Easement provided all conditions are met;

THAT the Framingham City Council votes to accept donation of permanent water easement on 1061 and 1065 Edmands Road and votes to abandon and release a portion of the Existing Water Easement after all conditions are met;

City of Framingham

The City Council of Framingham

THAT all documents, instruments, and agreements, required to effectuate the purposes of this Order shall be subject to the City Solicitor's review and approval; and

THAT the Mayor is authorized to execute on behalf of the City of Framingham and the Inhabitants of the City of Framingham any and all documents, instruments, and agreements, under such terms, conditions, amendments and/or restrictions as the Mayor may deem necessary and appropriate, and take all actions necessary or convenient and under such terms as the Mayor deems necessary and appropriate to effectuate the relocation of the water utility easement and water service line, and the purposes of this City Council Order.

CERTIFICATION OF CITY ENGINEER ERIC V. JOHNSON, P.E. RE: Water Easement-1061 and 1065 Edmands Road

I, Eric V. Johnson, in my capacity as City Engineer on behalf of the City of Framingham, do hereby certify the following:

1. I have served in my official capacity as City Engineer since November of 2014.
2. In my capacity as City Engineer, I am familiar with utilities, utility projects, and infrastructure improvements and improvement projects in and along Framingham roadways and easements. This includes familiarity with the use and location of various easements taken for utility purposes, both temporary and permanent.
3. I reviewed the site, records and documentation on the permanent 40' foot water easement depicted in Plan No. 1271 of 1949 Plan of Land for Easements and Water Works, recorded at the Middlesex South District Registry. **Attachment 1-Plan No. 1271 of 1949 prepared by Samuel Dyer, Town Engineer, January 1949.**
4. The Easement is also depicted along Lots 1 and 2 in Plan No. 485 of 2012, the Plan of Land in Framingham, Mass.-Subdivision, recorded at the Middlesex South District Registry of Deeds at Book 02012, Page 485. **Attachment 2-Plan No. 485 of 2012 prepared by Sullivan Surveying Company.**
5. The easement is a 40' wide easement across the lots of land of 1065 and 1061 Edmands Road now and/or formally owned by M & D Building LLC and contains City-owned water infrastructure.
6. The owner proposes to relocate the City infrastructure by installing new infrastructure within the new easement at 1061 and 1065 Edmands Road.
7. The easement is on privately owned land, and the current owner requested to grant a new easement located on 1061 and 1065 Edmands Road, to relocate the City water infrastructure, following which portions of the existing easement could be abandoned. The owner has agreed to convey the new easement to the City and install the new infrastructure at no cost to the City. The owner has also agreed to enter an agreement with the City to accept all liability for any infrastructure remaining within the abandoned easement area.
8. The proposed new water easement and proposed portion of easement to be abandoned are depicted on a plan prepared by Connorstone Engineering Inc. that has been reviewed and approved by the Engineering Division of the Department of Public Works Divisions. **Attachment 3-Easement Plan – 1061-1065 Edmands Road, Framingham, MA.**
9. In my opinion, the new proposed easement is acceptable for use for the installation of City water infrastructure, following which the existing water easement dissecting two private parcels of land can be abandoned, and I recommend the easement be relocated, water infrastructure relocated at the owner's expense and to the satisfaction of the Department of Public Works, and once relocated, the existing water easement abandoned, to allow greater use of the parcels affected.

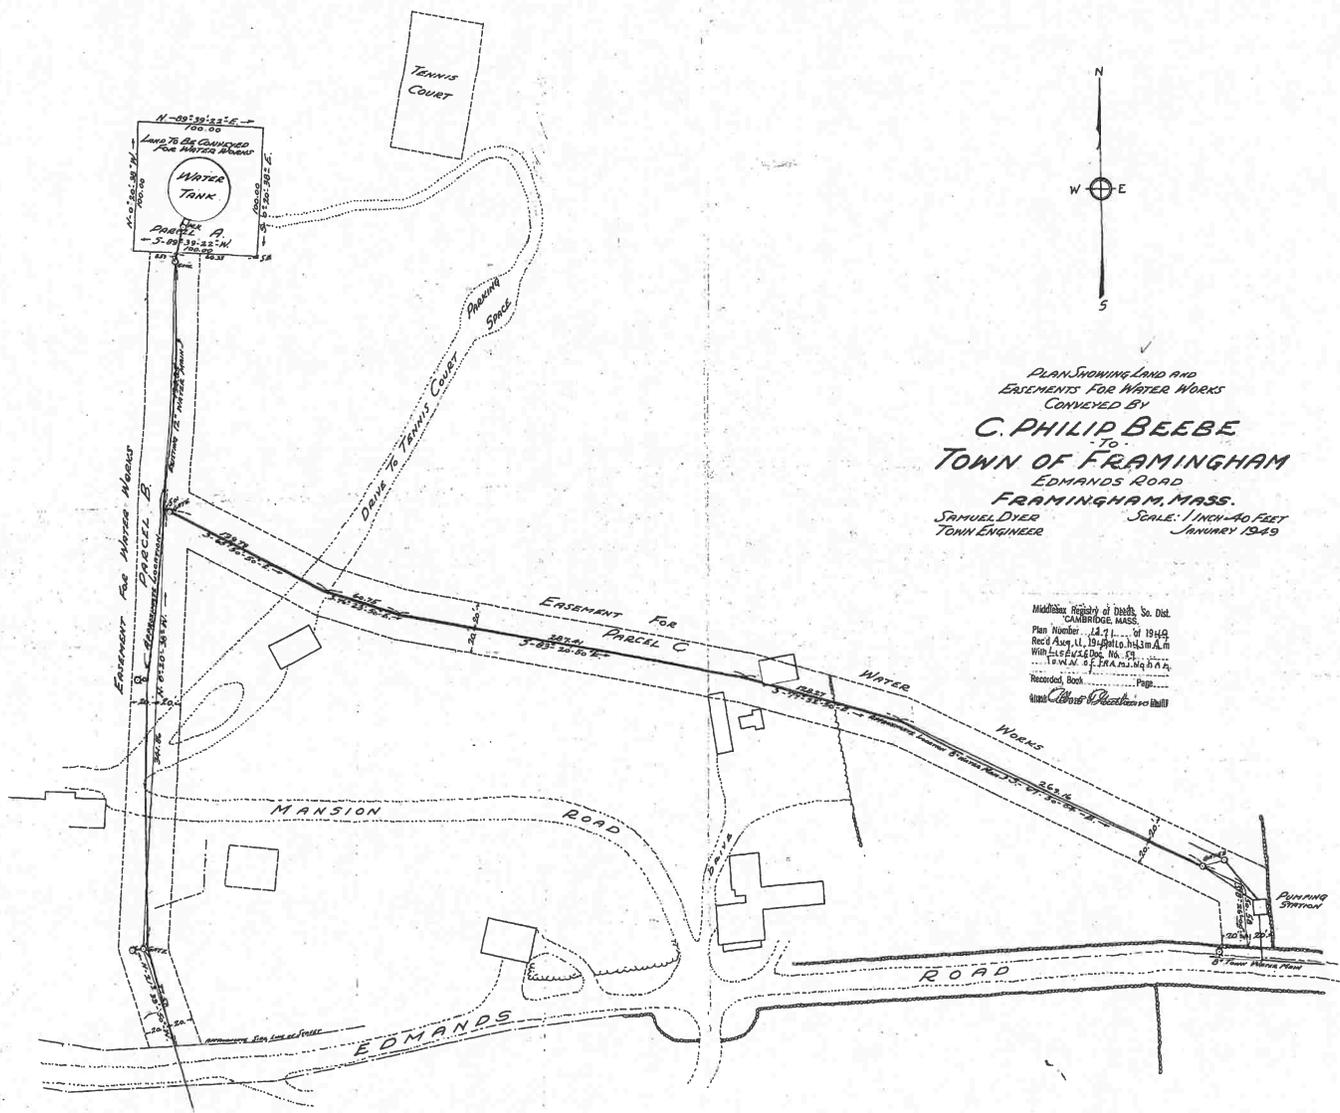

A handwritten signature in blue ink, appearing to read 'Eric V. Johnson', written over a horizontal line.

Eric V. Johnson, P.E.
City Engineer
